- Project promotes or achieves waste minimisation (help people rethink, redesign, reduce, reuse, repurpose, recycle or compost valuable resources) and is consistent with the New Plymouth District Council (NPDC) Waste Management and Minimisation Plan (WMMP) 2023 .
- Project provides present and future benefits to the wider community or a specific target group.
- Project results in new waste minimisation solutions (new initiative or expansion of existing).
- Funding is not for ongoing financial support of existing activities or running costs.
- Project is for a discrete timeframe, with outcomes achieved within the next 12 months.
- Funding does not cover the entire cost of the project. Part funding from other sources is identified (in-kind funding accepted).
- Project will be delivered within the New Plymouth District.

For NPDC's waste minimisation goals, please see P31 of the [WMMP](#)

Total Cost to Deliver Project

Total Cost *

\$

Must be a dollar amount.

Request for Funding

How much are you requesting from NPDC? *

\$

Must be a dollar amount.

Reporting

Successful applicants must report on progress and final outcomes of the project.

The level of reporting will depend on the amount of funding approved. If your application is successful, the reporting requirements will be included in the funding agreement.

As a guide, projects greater than \$3,000 will report at significant milestones and at the end of the project. For projects less than \$3,000, a final report may be all that is required.

Please suggest 3 or 4 measurable outcomes. E.g. 50kg of construction waste diverted from landfill; 5 workshops delivered; 25 people attend each workshop.

List 3-5 milestones during your project and the date you will complete these.
